THE SUPREME COURT.

The Supreme Court of the United States
Stands Adjourned Entil October - A
Number of Decisions Handed Down,
Notably One Regarding "Original Packages"—The Powers of Congress and of
the Several States Under the Constitution Defined—The Mormon Church Case,
Etc.

WASHINGTON, May 26.-The suprem ourt of the United States adjourned esterday until the second Monday in October. A large number of decisions, everal of them of general importance, were rendered by the court. The most aportant case decided was that of John M. Wilkerson, sheriff of Shawnee county, Kas., against Charles H. Rahrer. This is one of the originalpreme court on an appeal from the

Kas., for a Kansas City (Mo.) liquor firm. Last year he offered for sale beer and whisky in original packages. Kansas prohibitory law; but the United him on a writ of habeas corpus. The Kansas authorities then bro case to the supreme court on an appeal.

The court yesterday reversed the circuit court's decree and remands the cause for further proceedings. Chief Justice Fuller, who read the opinion, reviews at length legal opinions bearing on the jurisdiction of congress over the law open to constitutional objec-

In considering this query, the chief justice said that by the first clause of section 10 of article 1 of the constitution, certain powers are enumerated son) Romilly, and a son by a former which the states are forbidden to exercise in any event, and by the second clause. certain others, which may be exercised with the consent of congress. As to those in the first clause, congress can not relieve from the positive restriction imposed. As to those in the second, their exercise may be authorized, and they include the collection of the revimports and exports, by state enactments, subject to the control of conis now in session at Detroit, arrived in this city yesterday to attend the formal the exaction of which only the presentation of McMillan hall to the consent of congress is re-Tappan Presbyterian association, by quired. WASHINGTON, Ind., May 24.-One undred German miners secoded from the strikers yesterday morning and returned to work in the Cabel collieries.

A fight took place between the Irish and German factions, in which a German miner named Stoll was knocked down and severely injured. The police are fearful of a riot.

The Case of Dr. Phillips Brooks. CHICAGO, May 26. The standing com-

mittee of the Episcopal diocese of Chicago met at noon yesterday to discuss the question of whether to indorse the elevation of Dr. Phillips Brooks to a brishopric. On account of this divine's well-known liberal tendencies and his quasi indorsement of the views of Dr. Heber Newton, of New York, there was a disposition to object to a confirmation of the nomination. The committee was divided on the question, and after a discussion of some length and failing to bring about an agreement, they adjourned.

BALTIMORE, Md., May 26 .- Thirty-five lamage suits were yesterday begun in the United States district court against the steamers Louise, of the Tolchester line, and Virginia, of the Bay line. The suits were instituted in thirteen cases by the beneficiaries of the lrowned people and in the other cases by persons injured in the fatal collision of the 28th of last July. The aggrerate amount claimed by those injure \$119,000, while the beneficiaries of the thirteen persons who were drowned claim \$230,000. Twenty lawyers represent the thirty-five contestants
